- Ms office

### About Me

---

I am an enthusiastic, self motivated, responsible, hard working and a passionate Gis Analyst looking for a responsible position to expand my learning, knowledge and skills. Also to find an opportunity that will allow me to interact with different Gis professionals and enhance my practical knowledge.

### Projects

---

#### 1. Landslide hazard zonation using remote sensing and Gis

The present study is an attempt to find various hazard zonation in Nilambur talu, Malappuram using remote sensing and Gis.

#### 2. Geological and structural mapping in parts of kanjikode area within the palaghat -Cauvery shear zone, southern India

This study was to identify the various kinds of field relations, order of superposition and complexities of geological structures exhibited by lithological units in by parts of chitradurga schist belt of Dharwar craton, southern India.

### Certifications

- 3 month Advanced Training in GIS  
SYSGLOB SOFTWARE SOLUTIONS PVT LTD  
Kakkanad, Kochi  
11/2023-02/2024

### Education Background

- Msc Applied geology  
M E S College ponnani  
completed in 2020
- Bsc Geology  
K V U M DHO Arts and science college  
completed in 2018
